Now Certified Silver: Our Continued Commitment to Sustainable Events

After our latest submission, we are pleased to have moved from Bronze to Silver in the Green Meetings Accreditation, reflecting our continued commitment to sustainability.

This prestigious recognition highlights the hard work and dedication of our team, who have shown a strong awareness of environmental issues and taken practical steps to embed sustainability into our operations. We are especially proud of the efforts made to engage our delegates in our green initiatives, helping to deliver events that are both impactful and environmentally responsible.

Holly, from the Green Meetings Accreditation assessment team, praised our progress:

“The Derby Conference Centre has done an excellent job in achieving the Green Meetings Silver award upon resubmission. The team have demonstrated an awareness of green issues and have made an effort to engage delegates in the venue’s sustainability commitments. Highlights of their assessment included the protection of health and wellbeing, the promotion of the destination and its cultural heritage, clear communication of sustainability information, and the promotion of sustainable travel options..”

Key highlights from our assessment include:

- Prioritising health and wellbeing for both guests and staff
- Promoting Derby as a destination with a rich cultural heritage
- Communicating sustainability efforts clearly and consistently
- Supporting and encouraging sustainable travel options

This achievement marks a significant milestone in our sustainability journey, and we’re excited to keep building on this foundation. We look forward to continuing our progress through the Action Plan and further enhancing the positive impact of our events.
