

## Press Release: Be Inspired by the Olympics, Try Track Cycling at Derby Arena

Derby City Council

Published: 6 August 2024

The thrill of track cycling has commenced in Paris with the 2024 Olympics and our first [track gold medal](#). [Derby Arena](#) is bringing all the exhilarating coverage to you! Join us in our café and on Cycle D to catch every live moment of the action on our screens.

But that's not all - we're inviting you to experience the excitement first-hand. Our sessions offer the perfect opportunity to watch the races and feel the adrenaline by trying out [track cycling](#) yourself. Whether you're an accredited rider or completely new to the sport, inspired by the Olympics, we have something for everyone, including adult, youth, and family sessions.

If you're gearing up for your [first-ever session](#) on the cycle track, there's no need to worry. Our highly trained and experienced cycling instructors are here to guide you through each stage, helping you become a confident rider.

Track cycling isn't just for serious cyclists - it's for anyone who wants to enjoy the ride!

At Derby Arena, we believe everyone should have access to cycling. Our sessions are designed to be accessible to all, with free equipment use during taster sessions ensuring everyone can participate.
