

**PRESS RELEASE – JULY 2011**

**Dickinson's Real Deal is coming to DERBY!**

ITV1's Antiques Show Presented by David Dickinson

**CASH FOR YOUR ANTIQUES!!**

Why let your antiques collect dust in the attic when you can sell them for cash? Take money on the spot from a dealer OR if you think your item is worth more....take a gamble at auction!

Dickinson's Real Deal is currently the most popular daytime show on ITV and is regularly watched by over a million people. Back for a seventh series, David Dickinson and the dealers are traveling around the country looking for some more bobby dazzlers brought in by members of the public. If you want to sell your goods, but only for the right price, David and the dealers are going to be **DERBY COLLEGE @ THE ROUNDHOUSE, ROUNDHOUSE RD, PRIDE PARK, DERBY, DE24 8JE on SATURDAY 23<sup>RD</sup> JULY** from **9am - 5pm**. You could be quids in like many of the people who have already taken part!

**Last time we were in the area, Michael travelled from Leicester and sold his Bakelite Radio for £750 at auction. Ian from Nottingham got £1000 from our dealer for his Mahogany Box! This could be you!**

As usual David Dickinson will be keeping an eye on the deals and giving advice about whether to take the dealers' cash OR gamble at auction. But the final decision lies with our contributors and it's up to them to decide which option is the REAL DEAL!

We would appreciate some publicity for our Dealers' Day which will be filmed on **SATURDAY 23<sup>RD</sup> JULY**. Members of the public should bring their antiques along to **DERBY COLLEGE @ THE ROUNDHOUSE, ROUNDHOUSE RD, PRIDE PARK, DERBY, DE24 8JE**.

People can call us before hand to tell us about their items by calling the DRD hotline:

**0117 970 7618** or just turn up on the day.  
**Admission is Free.**
