PARADISE ISLAND ADVENTURE GOLF TEES OFF IN DERBY

A new indoor adventure golf leisure destination is swinging open its doors in Derby next week.

Paradise Island Adventure Golf is launching its latest miniature golf adventure at intu Derby shopping centre on Tuesday, 11th April 2017, bringing the new experience to Derbyshire.

Set amidst a tropical island paradise over an expansive 14,000 sq ft space, the new adventure facility offers the ultimate mini-golf challenge with two bespoke 18-hole golf courses. Full of twists and turns, the courses have been designed to send the ball and player on a rollercoaster ride, with mini-golfers' skills being tested to the limit through a maze of obstacles and uneven terrain.

Explorers on the Shark Bay course tee-off on an abandoned shipwreck and navigate through sea caves, filled with seaweed and giant octopus to the sound of waves crashing and wind blowing. Next they arrive at the beach with pebbles and shells, before reaching castaway camp with turtles and shark fishing. Finally voyagers trek along the jungle path with bamboo, palms and ferns, tropical plants and distant mountains before completing the journey in the tribal village and cannibal camp.

Adventurers on the Mermaid Rock course start at the docks and travel through the monkey temple, full of vines and lush tropical plants with monkey calls and sounds of jungle creatures. The eastern expedition continues through the lost lagoon and finishes in a mystical bazaar spice market full of fragrant fruits, carpets and lanterns, against a backdrop of rich sounds and smell.

Both courses culminate at the finale 19th hole, where players are challenged to complete it in one for the chance to win a free game pass.

Craig Nichol, Marketing Manager at Paradise Island Adventure Golf, said: "It's fantastic to be introducing Derby to the exciting world of adventure golf which is fast becoming one of the most popular attractions on the UK leisure scene.

“This is crazy golf as you’ve never seen it before and we’re really looking forward to welcoming our first contenders. The courses are an excellent way to challenge yourself while having fun with friends, families and even loved ones, where things can get really competitive!”

Paradise Island Adventure Golf is the UK’s leading indoor adventure golf operator, with the opening of Derby marking the company’s sixth location, following sites in Manchester, Sheffield, Cheshire, Glasgow and Livingston.
