

PRESS RELEASE
23rd February 2021

Following the government's announcement yesterday we now have some clarity over our future ability to reopen and welcome you back.

From the 12th April we will be serving a limited food menu within our garden rooms and other outdoor areas, alongside our wide range of your favourite tipples at The Horseshoes, The Cock Inn and The Meynell Ingram Arms. ***Tables will be limited to groups of 6 individuals or 2 households.***

We have all missed the social interaction, so we are likely to be very busy! We are urging our valued customers to please book a garden room ahead of your intended visiting date, to avoid disappointment.

We have covered seating areas which will be available on a non-booking, first come first served basis, both drinking and dining. We are encouraging our visitors to please wrap up warm though, the British weather is never reliable!

If the government roadmap (set out in yesterday's announcement) is followed, we expect to be allowing indoor bookings from the 17th May, and at that point table & room bookings at The Cow, Dalbury will also be available. We are so grateful to see that we are already booking up fast, please make sure you **use our online booking platforms to secure your table.**

It doesn't stop there... We look forward to announcing our outdoor live music, summer events and welcoming our long awaited re-opening of The Bluebell Inn, Kirk Langley soon. Please do keep an eye on our social media channels for regular updates and all current information can be found on our websites: -

It's been a very dark time but we hope we can shine some light on the future ahead here, at Berkeley Inns.

Best wishes from us to you, and stay safe!
