NEW ENTERTAINMENT VENUE OPENS IN DERBY

- * GENTING CLUB OFFERS A UNIQUE CASINO AND ENTERTAINMENT EXPERIENCE*
- *FARENHEIT RESTAURANT - THE HOTTEST GRILL IN TOWN*
- *STATE OF THE ART TECHNOLOGY – INTERACTIVE TOUCH SURFACES AND GIANT VIDEO WALLS*
- *120 JOBS CREATED IN AREA*

Genting, the leading international leisure and hospitality group, has chosen Derby as the location to launch the first of its newly branded Genting Clubs in the UK. The venue will open to the public at Derby Riverlights on 19th November 2011.

Derby's newest venue offers two stylish bars, contemporary dining, entertainment and an exciting casino floor. The club is the best Derby has to offer, where you can eat, drink, dance and play.

With two unique bars, one on each floor, customers will be offered an exciting array of cocktails from classics with a modern twist to contemporary favourites, all created by expert resident mixologists. Fahrenheit, the lavish sixty seater brasserie-style premium grill features expertly cooked steaks and a range of alternative dishes to suit all tastes. The steaks are uniquely cooked at 2500 degrees Fahrenheit to ensure they are succulent and tasty.

Whether beginner or expert, customers can choose from Blackjack, Roulette or one of the many slot machines on the gaming floor as well as a dedicated 'learn to play' area with specially trained friendly dealers and staff on hand to help make sure new customers have an enjoyable and memorable experience.

For those in Derby looking for something truly different, Genting Club's Lounge will offer everything from live entertainment to unique interactive experiences using high tech touch screen tables and play quizzes with friends, or even play at being a DJ!

At night, the Lounge can also transform into a dance floor. Plush red curtains pull back to reveal a stage for live entertainment with its own three metre wide projection screen.

Invites to the exciting launch night on Saturday 19th November will be available to win... watch this space!

Interesting facts: *

- The venue will require over 25 miles of electrical cables.
- 500 light fittings are expected to be installed.
- Almost 32,000 chips have made especially for the new Genting Club in Derby.
- 100 tonnes of reinforced concrete is being removed from the site.
- 25 tonnes of structural steel is being fitted in the building.
