The click & collect options and essential stores still available for Derby locals

With 15 essential stores remaining open, plus a range of click & collect options at Derbyion, locals can pick up their essential shopping all in one place.

Visitors can collect their essential goods safely from stores including Sainsbury's, Wilko, Poundland and Boots. Free parking is also still available on Level 4 of the centre car park, Basement and Bradshaw Way car parks.

Click & collect services are running from several stores, so shoppers can still update their spring wardrobe with Zara, or stock up on cards and gifts from Clintons and Design 44.

While collecting their essential shopping, visitors can also pick up a delicious meal to enjoy at home. With takeaway options available from several of the centre's restaurants, locals don't have to miss out on dishes from their favourite venues.

Available for click & collect and on Deliveroo, locals can enjoy a taste of Italy at home with Zizzi, from classics like lasagne to the limited edition Rustica Truffle Salami pizza. Or, if Asian cuisine is more your style, why not try the new Shu's 'Shiok' Chicken from Wagamama –
