**THE COCK INN CROWNED “COUNTY WINNER”  
IN THE NATIONAL BAR AND PUB AWARDS 2022**

We are absolutely thrilled to announce that The Cock Inn has been awarded Derbyshire’s Pub of the Year in the National Bar and Pub Awards 2022.

We would like to say a personal thank you to the sponsor Hellmann’s, Kegstar, Kingfisher, Knorr and St Pierre for supporting our industry and to the organisers Pub and Bar Magazine for making this possible.

The National Pub & Bar Awards aims to put exceptional on-trade businesses across the UK in the national spotlight, showcasing the hospitality industry’s diversity, creativity and vital importance to the UK economy.

The Cock Inn, which has been selected on overall best practice across a number of operational categories, will be officially crowned with this fabulous accolade at a red-carpet celebration at 30 Euston Square, London on Wednesday 22 June.

We always strive for excellence and build on this year on year, improving and upgrading our facilities. We are a relatively small business that relies on reputation, awards, and accolades such as The National Pub and Bar Awards to grow and thrive.

**Berkeley Inns Quote: -**

“It is an amazing achievement for us and our staff not to mention a massive morale booster to all within our establishment. Despite the challenging world we face with the current huge financial challenges, we continue to provide fine quality service, food and drink offer for our fantastic customers and are most grateful to be recognised nationally.

Our customers are at the heart of everything we do. We are incredibly fortunate to have a passionate and talented team of people at The Cock Inn who literally go above and beyond every day to provide an exemplary service for our visitors from far and wide. We are so incredibly proud of everyone at The Cock Inn, it is testament to all their hard work, strength, and commitment that we have been successful in winning this incredible award once again”

**Tristan O’Hana Statement: -**

“Just from being out in these venues, you can see how much pubs and bars mean to people across the UK,” says Tristan O’Hana, editor of Pub & Bar magazine, which hosts the event. “With visitor numbers increasing, it’s more important than ever for operators to deliver a standout service during every visit – no matter the business in question.

These 94 County Winners are wonderful examples of the brilliance of today's modern on-trade. If you live near one of these sites, make sure you pay them a visit!"
